Pool Table
Dart Board
Ping Pong Table
Bar

Venue Spaces:
Main Hall – 90 seated
Club Room – 35 seated

Kitchen Facilities
For any bookings, whether Main Hall, Club Room or Both, you will have access to the kitchen for oven, fridge freezer, dish washer and washing up facilities.

There is a serving hatch that leads into the Main Hall which can be utilised. The oven and stove may be used on request and for a small fee, and hirers will require instruction to be able to use it.

Bar
For bookings requiring a bar service we need ample notice, as our small team of volunteers run the bar. If no volunteer is available, we will notify you and you will have the option of hiring a bar tender.

Licenses
If you need any of the following: Lottery Licence, Street Collection Permit or a Temporary Event Notice (TEN), please contact East Hampshire District Council.

Noise Levels
If public address systems are going to be used, or the event includes amplified music or some other noisy activity, event organisers need to take measures to ensure that the level of noise is monitored and controlled to prevent it becoming excessive. You may wish to contact East Hampshire District Council's Environmental Health Department for further information on noise control. Please ensure all music is switched off by 11pm, and be mindful of the neighbours when departing the premises.

Litter Collection and Disposal at your Event
It is the responsibility of all hirers to collect and dispose of all event litter off site. The Herriard Hub does not have a refuse service.
